

The biggest fundraiser of the year is coming!!!

Run 4 Ravensworth will take place on **Friday, May 3!**

(Rain date: **Friday, May 10**)

In Run 4 Ravensworth, students will complete as many laps as they can—any way they can—for 20 minutes. Friends, family, and neighbors can sponsor students with a flat donation to our school.

This year, it's easier than ever to collect donations! We have a **new website** dedicated to helping our kids raise money and earn prizes:

<https://www.getmovinfundraising.com>

On the site, each student will have his or her own secure web page to send to friends and family for donation requests. Students will be able to track their own progress, as well as the progress of their class and of the entire school.

Sign your child up TODAY at <https://www.getmovinfundraising.com>! It's super easy—just click “Get Registered Parent Login” from the menu on the top right of the page—and your child will collect a small prize just for registering! Then, share the page with friends and loved ones via email, Facebook, and other social media.

All of the money raised—*except for a small fee that will go to Get Movin'*—will go to the PTA, which will use the money to pay for STEM programs, library books, field trips, teacher grants, and more. But don't worry — people can still donate via cash or check made out to “Ravensworth PTA.” Just have your child turn those donations in to his or her teacher.

This year we have even more prize levels for fundraisers. The more money your child raises, the more he or she will win! But don't delay — students must turn in donations by **Friday, May 24** in order to be eligible for prizes. Here are the amazing prizes up for grabs:

School Goal: \$20,000

If we meet this goal, the top fundraisers will get to silly string the principal!

School Reach Goal: \$30,000

If we meet this goal, Ms. Salata and Mr. Bourjaily will dye their hair the school colors!
